

Simple steps to add the beta app icon to your mobile device home screen

Android:

1. Open the browser and navigate to beta.heartstories.com.
2. Press the **Menu** button and select **Bookmarks**.
3. Select the top left thumbnail labeled **Add**.
4. Customize the name to **HeartStories**, and press **OK** to add it.
5. Press and hold on the Bookmark you just created, and select **Add shortcut to Home**.
This will put a shortcut icon on the current Home screen that allows one-touch access to the page.

iPhone/iPad:

1. Open up Safari and type in beta.heartstories.com.
2. In the bottom middle of the screen tap this icon: 
3. Look for the HeartStories Logo and tap **Add to Home Screen**.
4. Customize the name to **HeartStories**, and press **Add** to add it.
This will put a shortcut icon on the current Home screen that allows one-touch access to the page.
